4. Purchase

Purchase

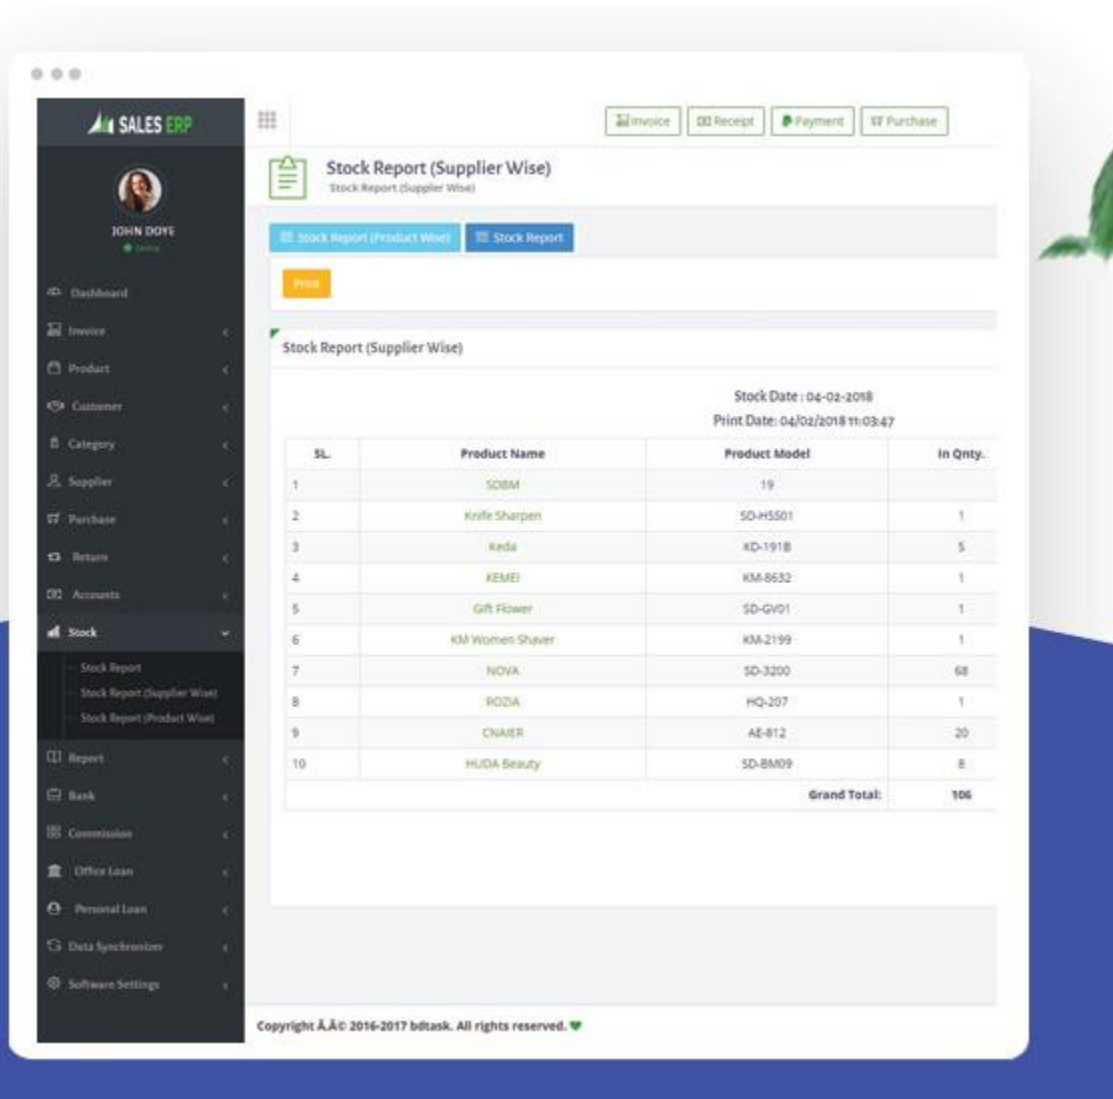

supplier add purchase and manage
purchase system

The screenshot shows the 'Add Purchase' interface in the SALES ERP system. The left sidebar contains navigation options: Dashboard, Invoice, Product, Customer, Category, Supplier, Purchase (selected), Return, and Accounts. The user profile for JOHN DOYE is visible. The main form includes fields for Supplier (a dropdown menu), Invoice No, and a table for item information. The table has columns for Item information, Stock/Qnt, and Qnt. A 'Product Name' field is present in the first row of the table, with a value of 0.00 in the Stock/Qnt column. Below the table are buttons for 'Add New Item', 'Submit', and 'Submit And Add Another One'. At the top right of the form area, there are buttons for 'Invoice' and 'Receipt'.

Item information*	Stock/Qnt	Qnt
Product Name	0.00	

5. Stock Report

The screenshot displays the 'Stock Report (Supplier Wise)' interface within the SALES ERP system. The interface includes a sidebar menu, a top navigation bar with buttons for Invoice, Receipt, Payment, and Purchase, and a main content area with a table of stock items.

6. Reports

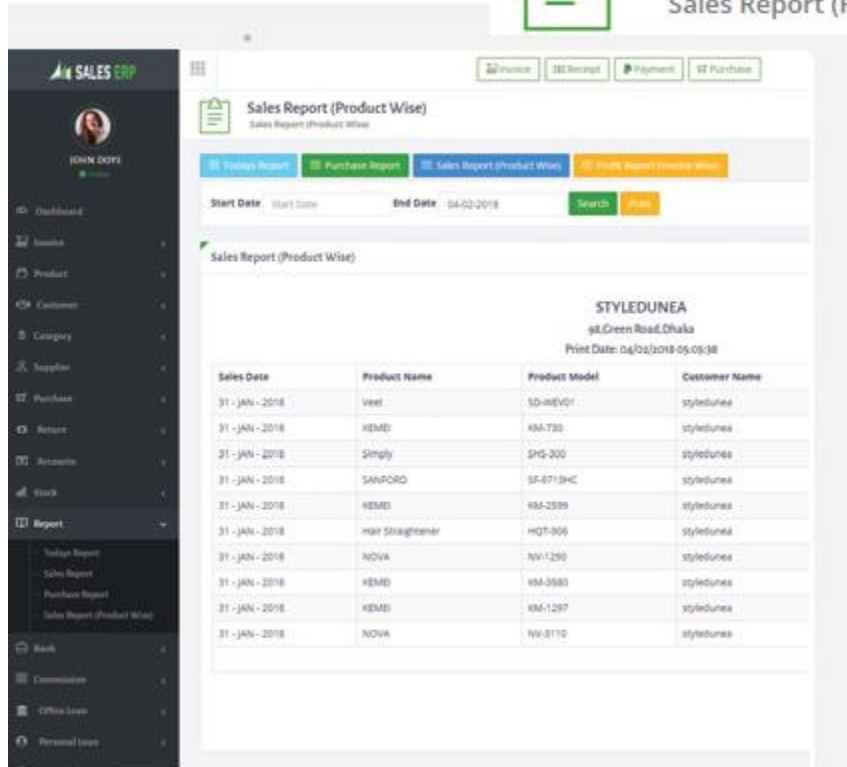

The screenshot displays the 'Todays Report' interface on a laptop. The page title is 'Todays Report' with the subtitle 'Todays sales and purchase report'. The interface includes a sidebar menu with the following items: Dashboard, Invoice, Product, Customer, Category, Supplier, Purchase, Return, Accounts, Stock, and Report. The 'Report' menu is expanded, showing sub-items: Todays Report, Sales Report, Purchase Report, and Sales Report (Product Wise). The main content area shows the 'Todays Report' for 'STYLEDUNEA' (98, Green Road, Dhaka) with a print date of 04/02/2018 11:04:52. The 'Todays Sales Report' section has input fields for Sales Date, Invoice No, and Customer Name. The 'Todays Purchase Report' section has input fields for Purchase Date, Invoice No, and Supplier Name. The interface also features a top navigation bar with buttons for Invoice, Receipt, Payment, and Purchase.

Sales Report (Product Wise)

Sales Report (Product Wise)

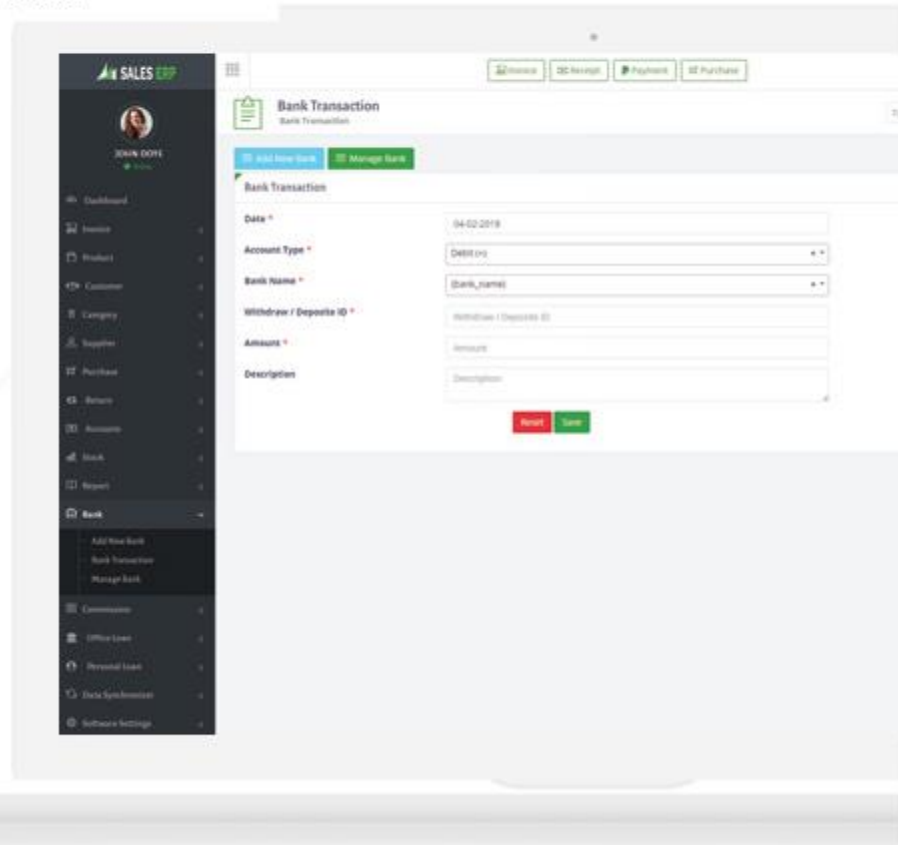

The screenshot displays the SALES ERP interface. On the left is a dark sidebar with navigation options: Dashboard, Invoice, Product, Customer, Category, Supplier, Purchase, Return, Account, Stock, Report (expanded), Bank, Commission, Office User, and Personal User. The 'Report' menu is open, showing options for Today Report, Sales Report, Purchase Report, and Sales Report (Product Wise). The main content area shows the 'Sales Report (Product Wise)' for customer 'STYLEDUNEA' at '98, Green Road, Dhaka'. The report is for the period from 01-01-2018 to 04-02-2018. A table lists sales transactions with columns for Sales Date, Product Name, Product Model, and Customer Name.

Sales Date	Product Name	Product Model	Customer Name
31 - JAN - 2018	Veet	SD-08VD1	styledunee
31 - JAN - 2018	KEME	KM-730	styledunee
